# Leadership Team Overview

Dear Parents and Carers,

## **Improving learning and achievement for all students**

On behalf of the school we would like to thank the families who attended our three recent musical events: Floriade, the Music Evening and the week two Assembly. The students are proud of their achievements and genuinely enjoyed performing for audiences. We also express our gratitude to the talented and passionate teachers who enable our school to provide a balanced arts curriculum: Emma Cox, Helene Halliday, Susan La Flamme, Shannon Gurney, Claire Hansen and Dan Graetz.

The foundation for a quality learning environment is the High-Expectations/Relationships model, where the belief of high expectations is combined with the behaviours and dispositions needed to create a high-expectations learning environment. Dr Chris Sarra describes such an environment as being both firm and fair.

*A relationship is anchored by high-expectations when we have the compassion to be fair, by engaging in acknowledging and enabling processes when we can, as well as having the courage to be firm, by challenging and intervening when we need to. (Sarra, 2011)*

Dr Louise Porter similarly has spoken of the “firm but fair” model which underpins the Restorative and Relational Practices framework for schools, and seeks to develop socially capable, responsible young people.

Last term we encouraged the attitude of respect: respect for self, others and our environment. This term we are focussing on building the behaviours and dispositions in our students that are needed to create a truly “high expectations” learning environment, one which is firm but fair, which promotes learning for all and which enables quality teaching. We will write more about the initiatives related to this focus in our next newsletter.

## **Learning Journeys**

A number of classes will host their learning journey this term. Please check the term calendar and keep an eye out for emails and school app announcements. The *skoolbag* app can be downloaded for free from iTunes or the Google Play store. The app is also an efficient way to inform the school of your child’s absence.

## **2018 Kindergarten Students**

We are currently hosting “get to know you” interviews with students and families who are coming into kindergarten in 2018. The meetings are part of our transition process and we strongly encourage every family to take this opportunity to connect with the school.

## **A safe, inclusive and respectful school culture**

At last night’s P&C meeting we discussed student safety. Some parents encourage their children to be physically active by walking or riding to school, but worry that they won’t know if their child has arrived safely. I am pleased to be able to reassure those parents that we have made a change to our attendance procedures. As of this week, we are contacting parents and carers if their children have not arrived at school by 9.45am. Please help us to avoid unnecessary phone calls by advising us when your child will not be attending school. This can be done through the school App, an email to the front office/teacher or a phone call.

## **Warm weather and drink bottles**

As the weather is warming up we would like to encourage everyone to have a drink bottle with water in it. It’s very important for students to be hydrated. In the warmer weather this means drinking lots of water throughout the day. It is also much less disruptive to the class and to each student’s learning if they have a drink bottle nearby rather than needing to leave class to access bubblers.

## Hats

As a sun smart school, all students are required to have a sun smart hat when outside in the sun. This is either a broad-brimmed hat or a cap with a legionnaire style flap at the back. Students without a sun smart hat are asked to play in one of the shaded areas.

In closing we would like to ask that students refrain from bringing beyblades to school. We have had numerous cases of conflict and/or distress caused by theft, loss and students being excluded from games.

Yours sincerely

Louise Owens (Principal)

# Year One Learning Journey

Year one will be having a Learning Journey on Thursday 2<sup>nd</sup> of November.

We are inviting parents to come to the year one classrooms from 8:40-9:00 to watch pre-recorded dance performances. Each class will have one live performance from 9:30 that parents are also welcome to attend.

We look forward to sharing our creativity with you!

## How we express ourselves

### A time that I felt nervous

I heard the children around me  
 I heard my own heart thumping.  
 I saw the other people do their speeches  
 I saw my speech tremble in my hand.  
 I felt like the whole world stopped  
 when the teacher called my name.  
 I felt everyone's eyes looking at me  
 as I walked to the front.  
 I wondered was I going to mess up?  
 I wondered if I would make it through.

**Samara Whiley**

**In dance we have looked at the elements of dance and how these combine to tell a story or a message.**

### A time I felt excited

I heard the safety announcement over the  
 PA  
 I saw the airport rush away from me  
 I felt the headphones on my ears, as I  
 slipped them on  
 I wondered if we were ever going to take  
 off  
 I wondered about the long flight ahead  
 I heard the engines roar  
 I felt my stomach lurch during the take off  
 I saw the passing buildings of Sydney.  
 I was finally going to the Dominican  
 Republic.

**Olivier Van Hagen**

A snippet from **Clouds**

**By Kelsey**

A cloud high in the sky, a puff of air on a cold  
 morning or mist  
 They're all clouds just mysteriously high  
 above  
 They just sit watching, waiting for someone  
 to look up and realise that the clouds have  
 formed a certain shape.  
 But no-one knows that clouds aren't  
 condensation,  
 But pure imagination.

## Year 5 - Learning Intentions

This term year 5 will be covering a unit of work based on French festivals to understand how people recognise important events through celebrations and traditions and how these rituals are tightly interwoven into our overall cultural identity.

Students will have the opportunity to:

- share their own cultural festivals and traditional celebrations which in turn will assist individuals to gain further intercultural exchange and understanding
- connect with fellow compatriots/ other friends who can add to one's mutual support group and strength
- understand migrant children growing up in another culture
- experience something unique- observing how worlds' festivals are celebrated.

# French Poetry Awards Ceremony - 2017

*Félicitations* to Eva J. (1 C) who come first in the year 1 division of the ACT French Poetry Recital Competition.

On Thursday the 19<sup>th</sup> of October, Eva was awarded a certificate and other special prizes at a ceremony at the Alliance Française de Canberra. She recited the poem in front of all the guests and did very well in representing our school at a big, unknown audience.

*Merci à tous les autres participants* who took part in the Alliance Française French Poetry Competition.

There were other finalists from Red Hill Primary School who come second in the French Poetry Recital Competition. In the kindergarten level we had Leisel H. (KK); in year 2 we had Lia Maras (2M) and in year 5, Sian Gray (5B) was the second runner up.

This year 54 students took part in the French Poetry Competition and they all received participation certificates. Last week at assembly, all participants were acknowledged and the certificates were distributed by their classroom teacher once they went back to their classroom.

I was impressed by their effort; they all recited the poem very well with expression, appropriate intonation and body language. It was really hard for the judges to choose the winners this year.

Congratulations once again to all the finalists and participants who have once again been *audacieux* and made our school proud!

***Salutation: Frances Szeremet***

# ACAS Assembly

The school will be hosting an ICAS assembly for years 2 to 6 on Friday the 10<sup>th</sup> November (Week 5).

It will be held at the normal assembly time of 9:30. Students will be recognised for their participation and achievements in ICAS over the year. Parents are most welcome to attend the assembly.

We look forward to seeing you there.

## ACT Primary Concert Choir - 2018

The ACT Instrumental Music Program is seeking students who will be in Year 4 to Year 6 in 2017 to audition for the ACT Primary Concert Choir (PCC). The PCC rehearses on Thursday afternoons from 4.30pm till 5.30pm during school terms at the IMP in Kaleen. The Primary Concert Choir is conducted by Katharine Finlayson. The choir is an extension and performance opportunity for students in ACT Education Directorate schools.

During its first four years the choir has been invited to perform in high profile events such as the nationally televised Australia vs New Zealand Brumbies game, Parliament House Open Day, Step Into the Limelight, Wattle Day Citizenship Ceremonies and IMP Concerts. Each year the choir participates in the National Eisteddfod, Choral Division, and in 2016 and 2017 the choir achieved First Place in the 12 Years and Under Championship.

The choir is an excellent opportunity for talented, skilled and committed young singers to work together in an enriching environment. **The PCC is a performance ensemble and the families of children auditioning will need to be prepared to make a strong commitment to rehearsal and performance attendance for the year.** Further details and information about how to apply for an audition are available from the Instrumental Music Program website at [www.imp.act.edu.au](http://www.imp.act.edu.au). The application form can be accessed through this site or by clicking on the links below.

Information letters are available at your child's school. These letters detail what is required during the audition and also further information about the audition process. If you do not have internet access please telephone the IMP on 62058265.

Applications are now open and close Friday November 17.

Safe School Travel in the ACT – Information Sheet 7

# Driving safely around schools

School opening and closing times are busy times for pedestrian and vehicular traffic outside the school. Drivers have a responsibility to ensure the safety of all children.

- Always take extra care in 40km/h school zones, which operate on each gazetted school day.
- Park safely even if it means walking further to the school gate.
- Observe all parking signs – they are planned with children's safety in mind.
- NEVER double park – it puts children at risk.
- Model safe and considerate behaviour for your child – they will learn from you.
- Slow down near the school crossing.
- Allocate enough time to get your child to the school gate safely and without rushing.

## Never park illegally:

- In the school driveway.
- On or near the school crossing.
- In the school bus bay.
- In the 'No parking' zone.

## Never double park:

- It blocks the vision of other drivers.
- It forces children onto the road.
- It obstructs the flow of traffic.

Safe School Travel in the ACT – Information Sheet 8

# Safety and children's crossings

Ensure that your child always uses the children's crossing – it is the safest point of entry to the school.

Where there is a Children's Crossing:

- Drivers must stop at the white line if pedestrians are waiting to cross or are crossing, when the 'CHILDREN CROSSING' flags are displayed. Drivers must remain stationary until the crossing is completely clear of pedestrians.
- Drivers need to know that a children's crossing is a part-time crossing which is in operation at any time the crossing flags are in place. It operates whenever any pedestrians are using the crossing. This could be the start and finish of school days, during lunchtimes, or for excursions.
- Schools or the operators of these crossings should ensure that flags are

always removed when the crossing is not in use to reduce confusion for, or disrespect by, motorists.
