

# Year Six Date Claimers for Term 4, 2018

## Term 4 Week 9

### Exhibition

Transdisciplinary Theme	Central Idea
Sharing the planet	Exhibition – TBA

We have begun the exciting and challenging learning adventure of Exhibition with workshops throughout term 3. There will be a parent information evening on **Wednesday 17<sup>th</sup> October**. Exhibition is the culmination of your child's education at Red Hill School and forms a large part of their learning in term 4. Students will work on an individual inquiry, collaborating in small groups, focussing on an issue that provokes their thinking and inspires creative solutions. They are encouraged to take action to share their thinking and awareness for their chosen inquiry and will present their journey in week 9 of term 4. We look forward to sharing this with you at the Exhibition evening on **Wednesday 12<sup>th</sup> December 6:30-8:30pm**.
