Leadership Team Overview

Dear Parents and Carers,

Improving learning and achievement for all students

Exhibition

Year 6 students are finalising their investigations for Exhibition. It has been an amazing term of learning and growth for every student in year 6. As their teachers, we are proud and amazed by their ability to read, comprehend, question and challenge themselves and the world around them. The central idea for Exhibition is *Creative thinking allows for the realisation of potential*. They have been truly creative in their approaches to learning and their thinking about how to take action to resolve issues they see as important in the world. Every student has realised their own potential during Exhibition. The following are just some of the skills and attributes that have been demonstrated this term.

- They have displayed respect and curiosity towards peers, teachers and guest speakers.
- They have worked collaboratively and problem solved as needed.
- They have communicated with experts in their chosen field, emailing them, conducting face to face and over the phone interviews and made visits to organisations.
- They have danced and sung and performed their little hearts out.

We are so incredibly proud of them already and the process is not yet finished. We are eagerly awaiting the final performances and displays next Thursday. Well done year 6!

Reports

Staff are busy finalising end of year reports for every student in the school. Reports are an opportunity to celebrate the learning and progress your child has made this semester at school. Teachers work tirelessly to ensure they are reflective of your child and what they can do.

A safe, inclusive and respectful school culture

Transitions

We have also hosted incoming kindergarten students and students from Narrabundah Early Childhood School who will be starting at Red Hill School next year.

Bandstravaganza

Each year students from across Canberra perform in Bandstravaganza, an annual event coordinated by the Instrumental Music Program, which provides motivation for children to engage in music activities, cooperative learning and social interaction and to gain performance skills. Congratulations to all of our year six musicians and Ms La Flamme on your performance last week. Mrs Owens attended the evening and was impressed with the growth you have made. She was a very proud principal.

Parent/ volunteer thank you morning tea

Home school collaboration is an important step in supporting a child's positive engagement in the learning and social aspects of school life. Parents and schools have a common goal to see children develop the skills for life and learning, to see children succeed and to see children happy. One of the ways in which parents are able to build this partnership is by volunteering in some way in the school. We are thankful for the time parents and community members are able to give us and we like to say thank you at a morning tea. We will host a parent helper/volunteer morning tea on Tuesday 5th December in the school library courtyard, from 10.30am – 11.15am. It is our way of showing our gratitude and thanks for the work that has been done throughout the year. Invitations have been sent home with students. We look forward to seeing some of you at the morning tea.

Emma Campbell
Executive teacher

Staffing in 2018

As the year concludes we have a number of staff members who are moving on to new positions and new opportunities. Some of these teachers have been on staff at Red Hill for many years. All have made significant contributions to our school. On behalf of Red Hill Primary, I would like to extend our thanks and appreciation for their professionalism, enthusiasm and hard work. We are very sad to farewell them but will celebrate their new endeavours in good spirit, knowing they are ready to take on fresh challenges.

- Shannon Gurney, who is transferring to Fadden Primary
- Michelle Wilson, who is transferring to Turner Primary
- Sarah Meadows, who is taking twelve months leave without pay
- Anna Gray, who is taking up a leadership position at the Grammar Junior School.

We will be welcoming back Kate Robertson in May. It is also our pleasure to warmly welcome Sharon Edwards from Monash Primary, Karen Simpson from Kingsford Smith School, Meredith Pearson from Taylor Primary, Heidi Weilguny from Southern Cross School and Bronwyn Beattie (preschool assistant) from Wanniasa Hills Primary.

I would particularly like to acknowledge Anna Gray, who last week received a nomination for Primary Teacher of the Year at the ACT Public Education Excellence Awards night. This was well deserved recognition of Anna's contribution to education in the ACT.

Yours sincerely

Louise Owens
Principal

Chief Minister's Canberra Gold Awards

Have you or someone you know lived in Canberra for fifty years or more? What about an organisation or community group that has been contributing to our city for fifty years or more? Then consider nominating them for the Chief Minister's Canberra Gold Awards.

Nominations can be made online at www.act.gov.au/cbrgold

Canberra Citizen of the Year Award

Nominate an inspiring member of our community for the 2018 Canberra Citizen of the Year Award. The Canberra Citizen of the Year is someone who makes an outstanding contribution to our community without expectation of remuneration or reward. They act for the good of our city and its people and are an active member of our community.

Nominations can be made online at www.act.gov.au/cbrcitizen

Year One News

Year One have recently finished learning about different movement styles and emotional reactions in our *How we express ourselves* unit of inquiry. We've had many guest speakers sharing things like Irish dancing, Morris dancing and Highland dancing with us. We have only just begun investigating in our *Where we are in place and time* unit of inquiry so we'll keep you posted!

Morris Dancing

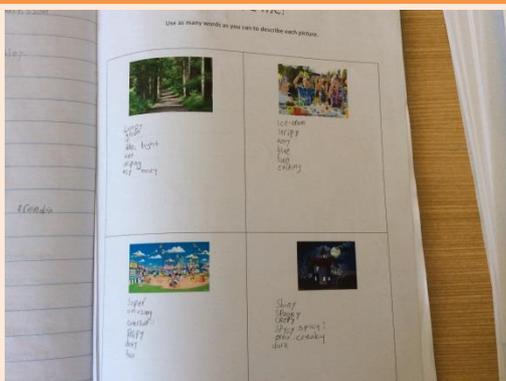

The Surly Griffins came to share Morris dancing with us and it was fun! They use sticks and bells and music. The dancing is repeated steps in different patterns and was sometimes used, long ago, to scare people away from the village!

Place Value

In maths we spent a lot of time learning about place value and breaking large numbers into their hundreds, tens and ones. We have moved on to fractions and 3D shapes, and will also be learning about measurement soon.

Writing

We have finished our persuasive writing and are now revisiting some basics in order to make sure we are remembering how to use good detail and description. We're sometimes using pictures for inspiration, called writing seeds.

Even though we've been pretty busy, we're still asking lots of questions and sharing ideas.

That will be the basis of our homework focus for the rest of the year so stay tuned to learn more about that!

Year 2

Year Two have been investigating money in Mathematics.

To begin this investigation we turned the students into Island Dwellers, where they had to trade and barter to survive together on their islands. Then in flexible learning groups, the students have been learning about Australian coins and their values, as well as adding and subtracting them in practical situations.

During this investigation, Year 2 also explored a 'money museum' discovering currencies from all over the world. The students are also making connections between money and how we use it in the community. This links to our new inquiry's central idea: "Investigating how communities rely on a variety of resources to be maintained."

Discovering money from around the world

Year 5 GATEWAYS CHALLENGE

On the 9th November Olivier, Wambui, Claudia and Charisse in year 5 represented Red Hill School at the GATEWAYS challenge.

The group met regularly every recess and lunch over a period of weeks to prepare for the day and they should be commended on their hard work and enthusiasm.

These wonderful year 5 role models worked collaboratively as a team on the day and as a result they came third.

Congratulations team on your achievements.

Serena Wahome (GaTLO)

*When you practice you
can receive great results.
Wambui*

*It was great experience
and I will always
remember our hard
work and achievements.
Claudia*

*Even with all the missed
out play time this is still
the best thing I have done
this year.
Olivier*

*We worked hard to
achieve great results on
this day and I can't wait
until next year.

Library News

This week, Week 7, is the final week for borrowing from the library. All students are asked to return their loans by next Friday 1 December. Please check at home for all outstanding loans and return them to the Library.

If you find you have misplaced a book, you have three options to clear your child's loan record:

- replace the book, like for like (preferred) - these can be left with a note at the Library
- pay the replacement value of the book to the Office, and
- donate a similar book to the library - these can be left with a note at the Library.

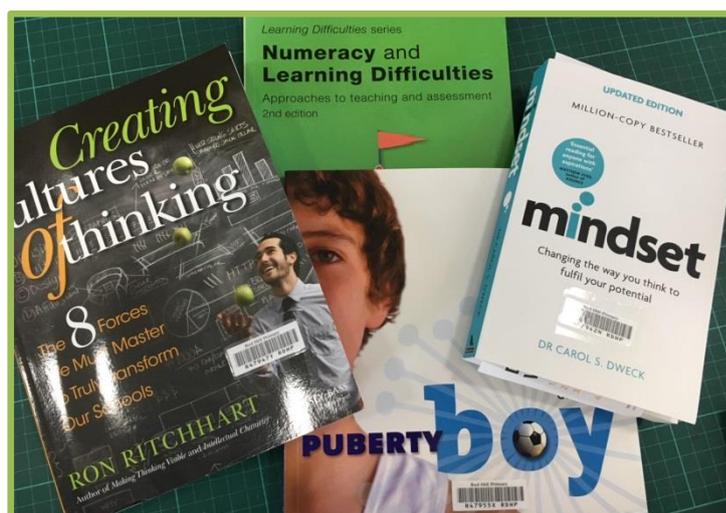

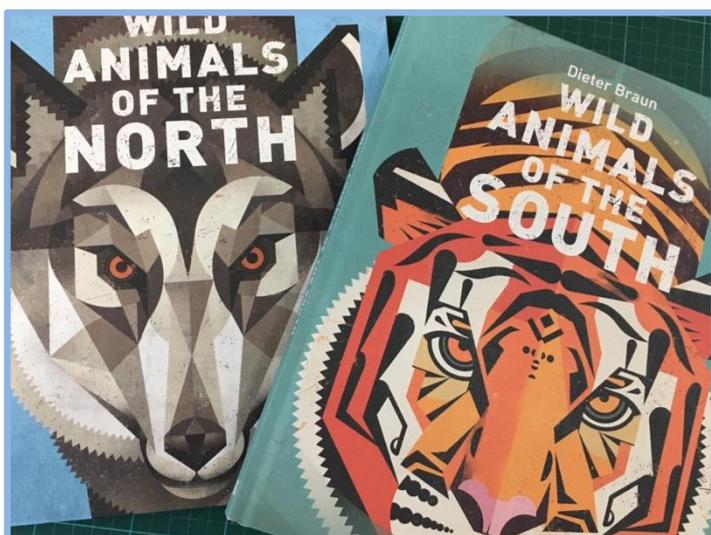

Library staff will spend the final weeks of school stocktaking the library collection, tidying and reorganising the space ready for 2018. This will include an overhaul of the Teacher Resource collection to improve its use by staff, and thus teaching and learning outcomes for students. Please excuse the "red hot mess" that will no doubt occur during the process!

Ms Cox has just placed an order for some new shelving that will replace and update the existing picture book, graphic fiction and reference sections. This purchase will be funded by the Library Trust Fund and will hopefully be delivered and installed ready for the 2018 school year. The new shelving will make a huge improvement to the functionality of our school library space.

We also have a large number of new resources purchased with proceeds from the Scholastic Book Fair, the Library Trust Fund, or donated by the school community. These include fiction and nonfiction titles, soft and hardcover. If you are available to assist with book covering over the summer holiday break, please be in touch.

If you have any questions or feedback, please contact Ms Cox, the school's teacher librarian.

Kindly,
Emma Cox
Teacher Librarian

Safe School Travel in the ACT – Information Sheet 4

Travelling to school by car

Buckle-up front and back

New national child restraint laws for 0–7 year olds now apply. Find the right child restraint for your child:

- 0–6 months Approved rearward facing restraint.
- 6 months – 4 years Approved rearward or forward-facing restraint.
- 4–7 years Approved forward-facing restraint or booster seat.

Make a rule that every child passenger must be securely buckled into a seatbelt or child restraint before you start the car.

- A sleeping child must remain firmly buckled up while the car is in motion.
- Reward your child with lots of praise for good road safety behaviour.
- Assist your young child to buckle up – always check the buckle.
- There are penalties for a driver not wearing a seatbelt and for driving with an unrestrained passenger.

Teach your child to use the 'safety door'

Teach your children to get in and out of the car by the 'safety door.' The rear kerb side door of the car is the 'safety door'.

- Never allow children to get out of the car on the traffic side.
- When possible, children should remain in the car until an adult opens the 'safety door'. This helps ensure that children get out of the car safely.
- Children aged four years to under seven years must be secured in a forward facing child restraint or booster seat.
- Children aged four years to under seven years cannot travel in the front seat of a vehicle with two or more rows, unless all other back seats are occupied by children younger than seven years in a child restraint or booster seat.

- A child that is properly secured in an approved child restraint is less likely to be killed or injured in a car crash than one who is not.

Safe School Travel in the ACT – Information Sheet 2

40 km/h school zones

The 40km/h school zone slows traffic in the vicinity of the school. 40km/h school zones in the ACT operate between 8am to 4pm. The 40km/h school zone speed limit must be observed even if school children cannot be seen.

A 40km/h school zone operates on all gazetted school days including staff development days (pupil free days).

While some schools may operate on different term dates, school zone speed limits MUST be adhered to during advertised ACT school terms. Gazetted school term dates can be found on the ACT Education and Training Directorate website <http://www.det.act.gov.au> (School Education pages).

During school holiday times roadside speed limit signs are usually folded up when zones are not in use. Drivers

should be particularly alert for periods when the signs are folded down as there is a legal requirement to obey any speed regulation sign within the operating hours specified on the sign.

Red Hill Primary School P&C Association

We need you!

Red Hill School prides itself on a rich diversity that stimulates learning and develops tolerance and respect. This richness emanates from our teachers, but also from you. Our students' benefit from this broad diversity of learning and that is what makes Red Hill School so successful.

Red Hill P&C is privileged to have a close relationship with the school and its teachers'. An inclusive relationship, where the school is always ready to listen to what the parents have to say and the P&C always eager to hear how we can help and contribute to the schools needs.

About Red Hill School Parents and Citizens Association (P&C)

The School P&C is a great place for families with students to meet others, join in a range of community activities and even get support from other parents at times. We aim to keep it a friendly, community-oriented atmosphere where everyone is welcome.

ALL parents and carers of children at the school are eligible members of the P&C and are encouraged to be involved.

The role of the P&C includes helping people come together, making suggestions to/asking questions of the Principal, getting to know each other, feeling that you can contribute to the school & having fun during this precious time of your child's life. The more members we have actively participating in the P&C association the better we can achieve our objectives.

Please consider coming along to the first P&C meeting of the year and getting involved – it's a great way to meet new people and really contribute to your child's school experience.

Ever thought of being on the executive board of the P&C? Again no experience is required, just the desire to take on a more formal role in the P&C.

We know your time is truly valuable; we appreciate any little bit of support on the P&C. On the Executive Committee we aim to ensure tasks are spread out so that nobody finds that they are undertaking more than others.

P&C Meetings are held on a Tuesday on the 3rd and 8th Week of every term, at 7.30pm in the school staffroom.

In 2017 The Red Hill P&C ran many fundraising events that have resulted in new Shade Sails and funding for the Mathematics program, iPad repairs to mention a few. In 2018 we will also be helping support the installation of new synthetic grassed play areas. The P&C also run the Uniform shop, the CCR program and Commonwealth School banking program. All with the help of our fabulous parent volunteers.

Vacant Positions on the P&C in 2018 are: -

President	Secretary	General Member
Treasurer	Public Officer	Events Co-ordinators

Why not give it a go? We would love to see you at our first meeting on Tuesday the 20th February 2018, 7.30pm in the School Staffroom. We look forward to a wonderful 2018 at Red Hill Primary School.

Regards Red Hill P&C Association

School Banking

School Banking day – Friday

Leave banking at Front Office by 9.00am on Friday Morning

Collect after 3.15pm on Friday Afternoon

Open a Dollarmite account at any Commonwealth Bank branch and start banking today
every \$ you bank raises money for the school

Please be advised that there will be NO School Dollarmites Banking on the last Friday to the term - 15 December 2017.

Could you please ensure that your child/children collect their books from the tub in the front foyer (usual spot) before the end of the school year.

Congratulations to all the students for your saving abilities this year - just think of all they wonderful things you could buy when you're older - a car, a house, a boat - anything your heart desires.

Keep up saving during the holidays and you can put it into the bank next year when you return to school.

Parents - please consider becoming part of the parent volunteers that help with the banking - without parental assistance we may be unable to offer such a wonderful incentive to our children.

Thank you for using Dollarmites.

Woden Valley Youth Choir Auditions

WVYC was established nearly 50 years ago by a Canberra school teacher with a desire to create a high quality music training organisation. The choir maintains this focus today as well as providing many opportunities for fun and performance such as camps, tours, albums and concerts.

WVYC is a collection of 6 choirs including enrichment vocal ensembles, a choir specifically for young males with changing voices and three large choirs! There is something for everyone who loves to sing, regardless of their previous level of experience. Aside from being a rich musical opportunity, singing in WVYC also strongly benefits choristers' academic results, instrumental ability, teamwork skills, social life and overall personal happiness.

Auditions will be held on Saturday 2 December between 8.30am and 5pm. Young people between the ages of 6 and 25 are warmly invited to audition. The audition process is a brief, friendly opportunity for us to get to know you and to find the best choir to see you succeed! Please go to www.wvyc.org.au and click on the "Join" tab to send us a message.
