Think before you park...and keep our kids safe!

With school now back we are encouraging all parents to make parking safety a priority!

This means:

- keep clear of 'no stopping' and 'no parking' zones
- don't stop in the car park roadway to let children exit the vehicle, always pull into a parking bay or consider using the 'kiss and go' zone
- don't park in bus zones, on school crossings, across footpaths or driveways; and
- don't double (or triple) park!

Remember - it's okay to park a little further away from the school and walk the rest of the way!

Consider - having a pre-determined meeting spot agreed with your kids. That way if you are a little late, they know where to wait.

Think - visibility around schools and if your car may be blocking the view of crossings for other motorists. Also be mindful when entering or leaving parking spots – look twice!

Be kind - to other road users and pedestrians and also if you see any parking officers in the area – they are doing their job and working to keep our kids safe!

Note - Licence Plate Recognition (or electronic chalking) vans are now actively monitoring schools. Penalties range from \$114 upwards to \$600. Details at www.act.gov.au/accessCBR

Leadership Team Overview

Dear parents and carers,

As this term quickly races towards its conclusion, we have a few reminders now that the weather is beginning to warm up. The first of these is that all students need to be wearing a SunSmart hat each day at school. Students who do not have a hat will be asked to play only in the shaded parts of the playground. Please encourage your child to write their name inside their hat in clear lettering so it can be easily returned when found. Also, encourage your child to double check that it is in their bag when leaving home in the morning. We have also noticed several school jumpers being discarded throughout the day. Could you please double check the names on jumpers and other clothing that your children are bringing home to ensure that they have the right item? If not please return items to the front office as quickly as possible so we can return them to the rightful owners.

The next reminder is, that all students should wear their school uniform every day. It is important that they have the correct clothing and footwear so they can take part in all learning experiences comfortably and safely, this includes not wearing excess jewellery like oversized earrings that may get caught in clothing and cause injury. We would also appreciate a conversation with your child about not removing their shoes at school as there are several bees that like to visit the grass areas as spring approaches.

It has been exciting to see so many students making use of the bike track, the new grass on the football pitch and the newly constructed soccer nets, all additions have really given our outdoor learning areas a boost.

As part of being respectful citizens, our school focus for this term, we are encouraging all students to respect our learning environments, including the playground, by placing the wrappings from their recess and lunches carefully in the numerous bins provided and respecting other people's property by checking that hats, jumpers, lunch boxes and drink bottles belong to them before taking them.

It was great to see students having their school class photos taken on Monday. Other groups such as Deadly Boomerangs, SRC, Band and Wassa Wassa will be taken today. Preschool photos will be taken on Monday the 26th and Thursday the 29th of October.

Enjoy the warmer weather,

Kind regards,

Deb Lawrence and Serena Wahome

Executive Teachers

eSafety Commissioner and AFP Webinar

The Education Directorate, through its partnership with the Office of the eSafety Commissioner and the Australian Federal Police, will be hosting a live webinar for families on **Wednesday 16 September 2020** from 7.00pm to 8.15pm. This webinar is suitable for adults and will provide an overview of the role and function of the Office of the eSafety Commissioner and the AFP. It will cover prevention tips and resources, difficult conversations, how to help your child be a responsible digital citizen and how to report inappropriate and harmful content.

Participants will be able to ask questions throughout the webinar through a secure link. [Register](#) for the best experience and full functionality. We encourage you to use a personal PC/laptop or mobile device.

Parent/Carers Free Assistive Technology Webinar

Literacy Accessibility Tool

Boost reading and writing confidence

Read & Write for Google Chrome (RW4G)

Join us for the Webinar Introduction to Read & Write for Google Chrome

Tuesday 20th October 2020 3.30pm

Read & Write for Google Chrome (RW4G) offers support for Google Docs and the web and is especially beneficial for students with *literacy needs*. It offers a range of powerful support tools to assist students to gain confidence with reading, writing, studying and research. RW4G is available free for all students in ACT public schools. Students can access the tool online at school and home, with the licence extended for the next three years.

This one-hour webinar will provide an introduction to how Read&Write can:

1. Support reading and access to the curriculum.
2. Support readers with text to speech, dictionary and vocabulary tools, study tools, annotation tools and more.
3. Support writing and the ability to demonstrate understanding.
4. Support writers via word prediction, voice notes, speech recognition, vocabulary support, research skills and more.

Webinar Registration

Click on link to register: <https://attendee.gotowebinar.com/register/6266222728869005328>

After registering, you will receive a confirmation email containing information about joining the webinar.

NOTE: If you are unable to attend, please still register to gain access to the recorded live webinar

Student Achievement

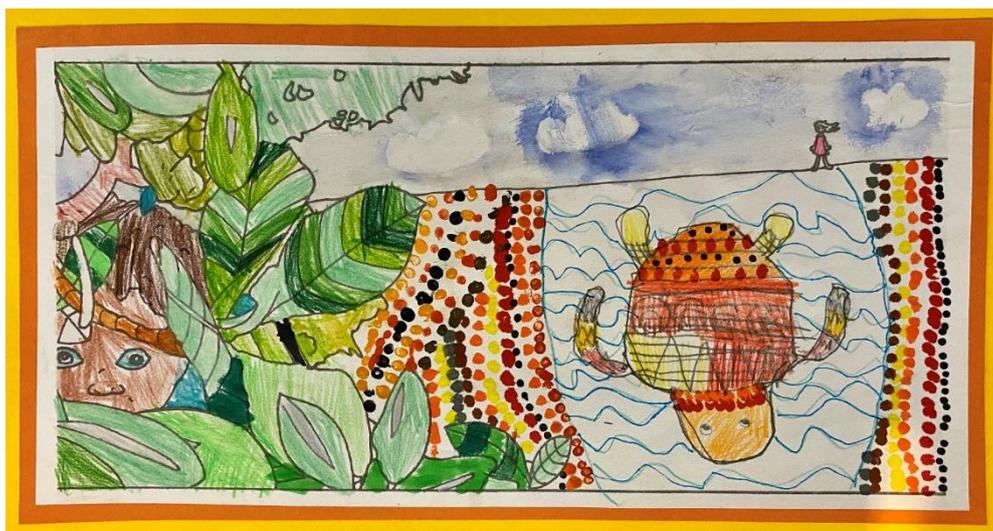

Emilie Pumpa in 1C entered the *Reading Australia* colouring competition during National Reconciliation Week.

The colouring was inspired by Indigenous children's book author and illustrator Dub Leffler's book, *Once There Was a Boy*.

Emilie used a range of mediums to complete the colouring including paint, pencils and texters. With some help from her Grandma she carefully trimmed the coloured borders from orange and red paper.

Emilie was the winner of the Foundation to Year 3 category – a category open Australia wide. She has won a Booktopia voucher for herself, and one for the school also.

Great work Emilie!

SEAACT (Science Educators Association of the ACT) Science Fair

SEAACT (Science Educators Association of the ACT) Science Fair entries are due next week, Friday, 11 September 2020.

Entries can be submitted as hard copy, or the preferred method is electronically.

For entry details please go to the SEAACT website: <https://seaact.act.edu.au/science-fair/>

Key information: (from website - <https://seaact.act.edu.au/science-fair/>)

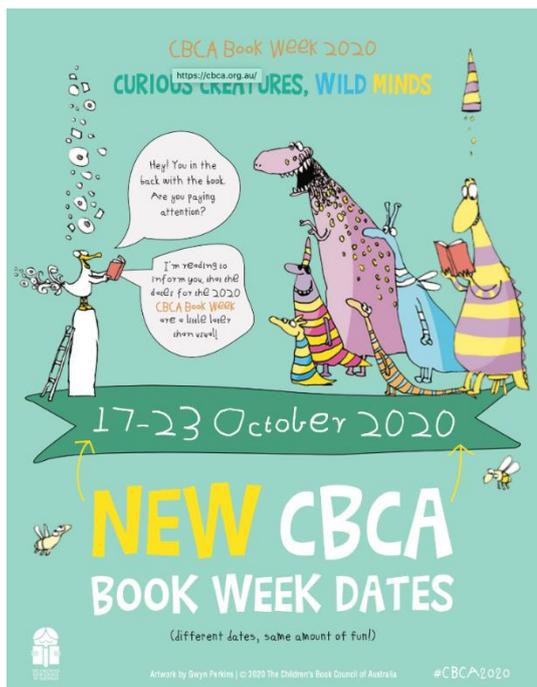

It was pleasing that there were 48 students who gave a commitment to enter the SEAACT Science Fair this year. However, the number of actual entries looks to be more like 15.

There will be lunchtime sessions for those entering the Science Fair on 10 September.

Tony Kennedy
Classroom Teacher

Date	Event	Notes
Friday 11 September 3pm – 5.30pm	All Science Fair entries due	Non-digital entries can be delivered to Alfred Deakin School on Friday between 3pm and 5.30pm, or on Saturday between 10am – 12pm
Saturday 12 September 10am – 12pm		
Alfred Deakin School		Digital entry submissions close FRIDAY 11 September, 11.59pm. See website for further instructions. <small>Note: This is the preferred method for high school entries. Elements of Engineering projects can still be delivered to Alfred Deakin School.</small>
Sunday 13 September	Judging	Judging of all entries starting from 9am.
Friday 18 September 2pm – 5.30pm	Collection of all non-winning entries	Non-winning entries are to be collected from Alfred Deakin School between 2pm - 5.30pm. <i>Non-winning entries not collected will be disposed of by SEAACT.</i>
Monday 28 September – Friday 9 October	School holidays	
22 – 26 October	Public display of winning entries	Display of all winning entries at CSIRO Discovery.
Friday 23 October 5.15pm - 7.30pm	Prize Ceremony	Prize giving ceremony at CSIRO Discovery, Clunies Ross Street, Black Mountain.

NEWS FROM THE LIBRARY

“Each year since 1945 the Children’s Book Council of Australia has brought children and books together across Australia through Book Week. During this time schools and public libraries spend one glorious week celebrating books and Australian children’s authors and illustrators. Classroom teachers, teacher librarians and public librarians create colourful displays, develop activities, run competitions and tell stories relating to a theme to highlight the importance of reading. You will often see parades with students dressed as their favourite book character.”

This year’s BOOK WEEK was rescheduled by the Council to term four.

Date: October 17-23.

The theme: Curious Creatures, Wild Minds.

Heads up!

Each year Red Hill School and the P&C run a wonderful Book Week Parade and Walkathon. Although it may look slightly different, we will be going ahead with this event. Over the next weeks of school, teachers will share the Book Council’s shortlisted fiction and non-fiction books with students. We will culminate our celebration of wonderful literature on **Friday 23rd October** when we will dress up as book characters for our usual parade and walkathon.

As in the past we will also be encouraging students to be creative in putting together their costumes, rather than buying them. Watch out in the next newsletter for details of how the parade and walkathon will run on the day.

Canteen News

In partnership with the school canteen provider we are now able to offer some special services.

- Under current Covid restrictions sending in birthday celebration food from home is tricky. Now parents can order a range of birthday treats through Flexischools that can be delivered to the classroom from the canteen.
- If students forget their lunch their class teachers can now give them a slip to pick up a sandwich and piece of fruit from the school canteen. The canteen will send home an invoice with the student which parents can pay through Flexischools. (Note: Teachers will monitor food allergies.)
- On the last day of school this term students will be able to order a special lunch. Details will come out very soon from the canteen.

Defence Happenings

Our Defence Bears have had a great adventure last week. Dog walks, parks and a very serious game of Pokémon! Its lovely to see the excitement when the Bears enter the classroom. There has been some great conversions in the yard at lunch about where and what the Bears have been up to - please remember to email me photos of your time with Bear to me to be included in the newsletter and our display wall near the library.

Gentle reminder – Please email me a photo of your child with the Serving Member in your family. The Family display wall is a fantastic talking point for children and gives a lot of pride to show classmates and friends their parent(s).

Posting Orders are out. Please let me know if you are moving at the end of the year, or if there is a change in your circumstances. I have some great stories and resources that can help make the move a little easier.

DCO Hotline is manned by counsellors and psychologist for Defence families 24hrs 1800 624 608

Family Mealtimes Matter

Modern life is so busy: parents are working longer hours than ever, children are on the go all the time – if it is not soccer or dance practice, then it is music lessons. While getting the family to sit together for regular family meals may seem impossible, research has consistently shown the importance of the family meal and the many benefits it provides to children and parents. Family meals help:

- **Strengthen family bonds**
The family meal is a wonderful opportunity to spend time together as a family, communicate and share the day's events.
- **Improve communication and interpersonal skills**
Conversations around the family table help young children develop language skills and increase their vocabulary. Children who regularly partake in family meals communicate more with their parents, do better at school, and teenagers are less likely to partake in risky behaviours like using drugs and alcohol.
- **Encourage a healthy relationship with food**
Families who regularly eat together tend to have healthier eating habits and eat more fruits and vegetables. Eating with the family encourages younger children to learn to eat family foods and encourages fussy eaters try new foods.

While having family meals every night might not be possible for most families, even one or two family meals a week can show great benefits.

- If you are not in habit of having family meals, try to introduce them once or twice a week. If weeknights are too difficult, try having a family meal on the weekend – breakfast, lunch or dinner all count.
- If everyone is not at home for dinner – sit down for a family meal with the family members who are.
- Turn off all devices – that means no phones, iPads or TV's. No checking your phone or email at the table!! Avoid distractions and use this time to be present and talk to each other.
- Role model healthy eating habits. The whole family should eat the same meal, let your children see you eating and enjoying the same healthy foods as them.
- Make the focus of the meal about family time together. Don't pressurize or force children to eat their food.
- Let your children help prepare food, set the table and clear away afterwards.
- Some ideas for conversations include everyone sharing one good and one bad thing that happened during their day, and coming up with a suggestion to improve the bad thing.

Ordering in person

UNIFORM SHOP IS CURRENTLY CLOSED FOR FACE TO FACE SHOPPING. PLEASE ORDER ONLINE.

Ordering Online

The Red Hill School P&C Association uses Flexischools for uniform shop sales. It is a cashless online ordering system which streamlines payment, ordering and processing of purchases and events.

Quick and easy it can be accessed 24/7 on PC, Mac or mobile app. Some fees may apply.

School Uniform orders will be delivered to your child's classroom via their teacher or Uniform Shop Staff.

Please note the following:

- Payment is by credit card or bank transfer
- Some fees may apply
- Online orders are delivered on a Wednesday or Friday afternoon of the same week, some deliveries may carry over to the following Monday
- Details on sizing, including height, chest and waist are noted with each garment listing
- You will need to include your child's name and class i.e. 3E, (for families new to the school and not yet been allocated a class) please enter "New Student" and orders will be held at the front office for collection
- For further information and to register please visit: www.flexischools.com.au

Dear Community,

The Uniform Shop will be operating under the same conditions as term 2.

Please order via Flexischools @www.flexischools.com.au.

Orders will be packed and delivered to your child's classroom at least once a week depending on order volume.

Lost Property will be sorted at least once a week with any named clothing going to the front office for return to the owner.

If you have any questions, please don't hesitate to contact the uniform shop directly @ rhps.uniformshop@gmail.com

- 6**: Total amount of deposit
- 7**: Add this deposit

Other fields on the form include: Teller, Previous balance, Subtraction/Withdrawal, Current balance, Number of cheques, Coin, Cheques, and Total \$.

RED HILL SCHOOL BIKE TRACK

The new 1km school bike track has been built for the students as well as a place for the community to enjoy outside school hours. To keep the school's latest asset a safe and enjoyable place to ride for many years to come, we all need to play a part in this.

Do's

- Be friendly & supportive of other riders using the trail
- Always wear a helmet
- Make yourself known before overtaking another rider
- Ride the track in an anticlockwise direction
- Ride within your skill limit
- Move off the track if stopping
- Notify the school if the track has been damaged or vandalized

Don'ts

- Ride the track during or after heavy rainfall (give it some time to dry out)
- Ride in the wrong direction
- Modify the track in anyway
- Use motorized bikes on the track

Please read the signage that has been put alongside the track. This signage has some great information and tips on body position when riding the technical features found on the 1km bike track.

We highly recommend that all the student's bikes are checked over for safety issues before riding on the track.

- Brakes are working correctly front and rear
- Tyre pressure is within the recommendation's indicated on the side wall of tyre
- Chain is lubricated with specific bike chain oil
- Gears are shifting smoothly (if bike has gears)
- Seat is at the correct height
- Bike is checked over for any loose components

Most importantly, HAVE FUN!
