Leadership Team Overview

Dear Parents and Carers,

School Camps

Last week our years 5 and 6 students attended their annual camps. The year 5 students spent Wednesday to Friday at Camp Cooba and the year 6 students spent the first part of the week at Tathra. Camps are a great opportunity for students to challenge themselves to try new things and to be risk-takers in a safe and supportive environment. The students also participated in range of team building activities. A huge thank you to the staff and parents who attended the camp to help give the students this wonderful opportunity. Lastly, standing ovations to Ms. Griffin and Ms. Jenkins for their weeks of organisation beforehand, and to Mrs. Owen's mammoth effort of attending both camps!

Swimming Carnival Ribbons

Today our year 3 – 6 students who performed very well at the recent school swimming carnival were presented with ribbons. We will also find out which house is the swimming champion for this year. Well done to everyone who competed on the day to earn points for their house.

NAPLAN

NAPLAN testing will commence next week for years 3 and year 5 students. The testing period at our school is between **15 and 27 March 2023**.

NAPLAN provides valuable information to schools and parents about students' achievement and progress in literacy and numeracy. Nowadays students complete NAPLAN online in a more engaging assessment format that adjusts questions to each student's ability level. All eligible students are encouraged and supported to participate in NAPLAN testing. Visit www.nap.edu.au to see interactive versions of the test and obtain more information.

Nathan James

Deputy Principal (Student Welfare)

Ride to School

Walking or riding to school regularly is a great way for children to receive their recommended one hour of physical activity every day. It also helps to ensure they arrive energised and ready to learn.

Our school is participating in the <u>Active Streets for Schools</u> program, which is helping to make the environment around our school safer and more accessible for active travel.

Did you know we have a ride or walk to school map? If your child hasn't received a hard copy, you can download and print the map from the <u>Transport Canberra</u> website.

The map includes a selection of safe routes to school and highlights 'part way' drop off or collection points for families that need to drive but want to avoid congestion at the school gate and allow their children to be physically active for part of the trip.

Help our school engage in Active Streets by encouraging your children to be active. Students will enjoy the health benefits while you enjoy avoiding school traffic during peak times.

Individual resource packs were sent home this week with every student in years 4-6, because many of them are reaching an age when they can start considering independent travel. Please contact the front office if your child's pack didn't make it home.

NATIONAL RIDE TO SCHOOL DAY is on Friday 24 March 2023.

We invite families to ride to school together (children, parents and carers) on the morning of March 24th.

Those families who arrive by **9am** will be greeted with fresh fruit and special stickers to celebrate their active travel. A photo will be taken of all the participants just outside the black gates near the bike racks at 9am, which will go in our next newsletter.

Uniform Shop

Ordering Online

The Red Hill School P&C Association uses Flexischools for uniform shop sales.

https://www.flexischools.com.au/

It is a cashless online ordering system which streamlines payment, ordering and processing of purchases and events.

Quick and easy, it can be accessed 24/7 on PC, Mac or mobile app.

School Uniform orders for existing students will be delivered to your child's classroom. Otherwise, orders can be collected from the front office.

Ordering in person

Opening hours Wednesday 8.30 to 10:00am and Friday 2.30 to 4.00pm. We prefer payment by credit card, but we can accept cash.

With COVID continuing to present a risk we prefer that orders are made online where possible.

Secondhand requests can be emailed through to the shop manager.

Donations can be placed in the purple bin in the front office foyer.

Lost property will continue to be monitored and items that are labelled sent to the front office for return to the student. Anything not labelled will be sent to charity.

Canteen

Looking for work in 2023!

The canteen is looking for someone to work in the Canteen Fridays this year. If you are interested in working school hours on a Friday and would like to be paid for it, please contact debbie@healthy-kids.com.au for further information. Or pop in and say hi to Irene in the Canteen Wednesday, Thursday or Friday.
