## Think before you park...and keep our kids safe!

With school now back we are encouraging all parents to make parking safety a priority!

This means:

- keep clear of 'no stopping' and 'no parking' zones
- don't stop in the car park roadway to let children exit the vehicle, always pull into a parking bay or consider using the 'kiss and go' zone
- don't park in bus zones, on school crossings, across footpaths or driveways; and
- don't double (or triple) park!

**Remember** - it's okay to park a little further away from the school and walk the rest of the way!

**Consider** - having a pre-determined meeting spot agreed with your kids. That way if you are a little late, they know where to wait.

**Think** - visibility around schools and if your car may be blocking the view of crossings for other motorists. Also be mindful when entering or leaving parking spots – look twice!

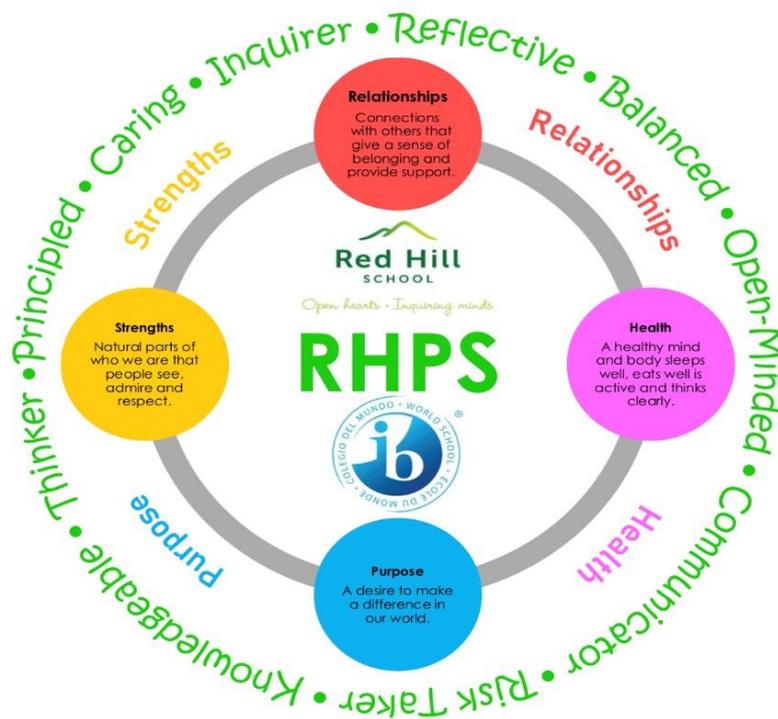

**Be kind** - to other road users and pedestrians and also if you see any parking officers in the area – they are doing their job and working to keep our kids safe!

**Note** - Licence Plate Recognition (or electronic chalking) vans are now actively monitoring schools. Penalties range from \$114 upwards to \$600. Details at [www.act.gov.au/accessCBR](http://www.act.gov.au/accessCBR)

## Leadership Team Overview

Dear Parents and Carers,

There are four domains to our Positive Education Framework. They are **Relationships, Health, Strengths** and **Purpose (RHPS)** and each of these domains have focus areas that promote and support our wellbeing within the context of the Primary Years Programme.

This semester we have a school wide focus on understanding strengths. *Character Strengths are natural parts of who we are that people see, admire and respect. They can positively influence the way we think, feel and behave.*

*Strengths can help us to see what is best in ourselves and others.* (Red Hill Primary Wellbeing Framework 2019).

Through a series of guiding questions, our staff and students will investigate and develop their understanding of character strengths through a variety of learning engagements including: strength spotting in rich literature, identifying their own strengths, undertaking gratitude activities and learning about the aspects of Hope Theory.

If you are interested in learning more about strengths and how they can be utilised at home to support the wellbeing of your children and family, publications by both Dr Justin Coulson <https://www.happyfamilies.com.au/> and Professor Lea Waters <https://www.leawaters.com/> are excellent resources.

Whilst the weather forecast for the coming week is for wet, windy weather, at school it is time for everyone to again be wearing a hat whilst outside. Please make sure your child has a sun safe hat to wear each day at school. Children without a hat will be asked to move to shaded areas by staff on playground duty.

Kind regards

Kristy Aitchison and Vickie Larnach  
Executive Teachers

## Kindergarten Health Checks

The ACT Government has announced funding for a targeted Kindergarten Health Check program during 2020. This program has been developed as the physical component of the Kindergarten Health Check was cancelled when schools closed in response to the COVID-19 pandemic.

This targeted program will identify and support students who may have problems with their hearing and/or vision.

### How do I know if my child should have their hearing and/or vision tested with a targeted Kindergarten Health Check?

Your child doesn't need to have a targeted Kindergarten Health Check if:

- you have completed the 4-year old *before school health assessment* and there were no concerns. You can find details about this health assessment in your child's 'blue book,' and may have been completed with your MACH nurse or your GP
- your child has had their vision and hearing checked in the last year and there were no concerns.

### I have concerns about my child's hearing and/or vision, what can I do next?

If you are concerned about your child's **hearing** please make a free appointment at the Children's Hearing Service by phoning Central Health Intake on 5124 9977.

If you are concerned about your child's **vision** please book into a Medicare funded vision check through an Optometrist.

Kindergarten families who have concerns about their child's vision or hearing, and who may experience challenges accessing a GP or other health professional, should access the targeted Kindergarten Health Check clinics by calling Central Health Intake on 5124 9977.

We welcome all Aboriginal and Torres Strait Islander kindergarten students into the targeted Kindergarten Health Check clinic.

### What does my child's teacher know about the targeted Kindergarten Health Check?

Your teachers have the same information as you about the targeted Kindergarten Health Check. If your child's teacher has noticed something about your child's vision or hearing they may talk with you about it and recommend you attend the Children's Hearing Service or an Optometrist.

## When will the Targeted Kindergarten Health Check clinics start and where are they located?

Clinics will commence in Term 3 and run until the end of Term 4 2020. Clinics will be held in the City Health Centre located on the corner of Moore and Alinga Streets, Civic. If more clinic sites become available, you will be informed of this when you phone to make an appointment.

**For more information about the targeted Kindergarten Health Check program call 5124 1678 or email [KindergartenHealthCheck@act.gov.au](mailto:KindergartenHealthCheck@act.gov.au)**

### ACCESSIBILITY

If you have difficulty reading a standard printed document and would like an alternative format, please phone 13 22 81.

If English is not your first language and you need the Translating and Interpreting Service (TIS), please call 13 14 50.

For further accessibility information, visit: [www.health.act.gov.au/accessibility](http://www.health.act.gov.au/accessibility)

## SRC Pandemic Heroes Fundraiser

On Wednesday students were invited to dress up as pandemic heroes in support of all the amazing people who made a contribution or sacrifice to get us through COVID19.

Thankyou to everyone who made a donation of non-perishable food items and toiletries to support those in our community who have been affected so dramatically by COVID 19. Our sincere thanks to Mr. Edwards and his helpers from St. Paul's Anglican Church in Manuka who transported our donations to St. John's Care, an organisation who help those in need.

# Defence Happenings

Our colourful Defence mural is looking bright and eye catching near the library. If you have served / deployed overseas I would love to add a photo of your experience to the wall. It's great to share photos and artefacts from our Red Hill Defence families.

The Defence Kids club Hand Ball competition is going great, and must admit I timed becoming "King" very well with the end of lunch bell, so I retired as Champion 😊

The competition is on Mondays and Wednesdays at lunch times, at the handball courts.

Don't forget you can contact the Defence Family Helpline 24/7 on 1800 624 608 or email [defencefamilyhelpline@defence.gov.au](mailto:defencefamilyhelpline@defence.gov.au)

Our Defence Bears have been visiting and getting up to some fun adventures with our RH families. Scooter rides, a swim, reading with families, even a go at playing the piano!

I love seeing the photos and talking to the children about what Ted got up to. I look forward to sharing more photos over the next few weeks as they visit different homes each week.

Please note I work Mondays and Wednesdays.

Cheers

Zoe  
Defence Mentor  
Red Hill Primary School

## Healthy lunchboxes

Did you know that children eat one third of their daily food at school? Children's lunchboxes should meet their nutritional needs and provide them with energy to last throughout the school day. Healthy nutritious lunches help children concentrate better, learn more and be generally happier at school.

While the thought of preparing healthy lunchboxes every day (!?! ) for several children that they actually eat can be off-putting, here are some tips to help.

### 1) What is in a healthy lunch box?

Every lunchbox needs foods from 5 from five core food groups:

- **Grain foods** (bread, wraps, pita, pasta, couscous) – provide children with energy to learn and play. It is preferable to use wholemeal options.
- **Protein** (tuna, chicken, salmon, boiled egg, lentils, cheese) – help support growth and development and keep your children full.
- **Dairy** (cheese blocks, yoghurt, milk)- good source of calcium and important for healthy bone development.
- **Vegetables** (carrot, cucumber, celery, capsicum, corn, snow peas)- are packed full of essential nutrients. Use veggies on sandwich or part of main meal and as snack on the side.
- **Fruit** (apple, mandarin, banana, strawberries, kiwi) – great source of vitamins. Give whole fruit or cut up in pieces.
- **Water** bottle – water is the best drink for your children to have.

### 2) Get your children involved

Children who help prepare their lunches are more likely to eat them at school. Discuss with your children what they would like in their lunches (offer a variety of healthy choices) and let them choose fruit and veggie options when out shopping. Allow children to help make their school lunches - make the sandwiches, cut up the fruit and veggies, pack the box. As mornings are often a mad-rush to get out the house, prepare the lunch the night before and refrigerate overnight.

### 3) Resist temptation (and nagging) to use pre-packaged snacks

While your child might tell you that everybody gets little packets of biscuits or crackers, try to avoid these pre-packaged snacks. They are often high in sugar, salt and saturated fat and contain very little nutrients. They also are bad for the planet and create a huge amount of waste and litter at school. Instead of pre-packaged snacks, offer healthier choices such as wholegrain crackers, veggie sticks with hummus, air-popped popcorn, cubes of cheese. Home-made pikelets or muffins are more nutritious than the store-bought ones, and your child can help you prepare them on the weekends.

### 4) Be creative and mix things up

School lunches definitely don't need to be boring - there are a whole range of delicious nutritious options available. Help your child get excited about the variety of yummy healthy foods there are.

Check out these fantastic resources for more ideas and options for healthy lunchboxes.

Cancer Council Healthy Lunchbox Builder: <https://healthylunchbox.com.au/builder/>

# My healthy lunchbox

Mix and match a food from each food group to make a healthy lunchbox

## Grains

Choose mostly wholegrain options. The slow release energy will provide nutrients for concentration in the classroom as well as lots of energy for playtime.

## Protein

Include protein that is unprocessed, as processed meats such as devon, chicken loaf and salami are often high in fat and salt and can be lacking in nutrients.

## Vegies

Always add vegies to the lunchbox to make sure your kids are getting all the nutrients they need. Add grated vegies to sandwiches, or vegie sticks to munch on.

## Fruit

Include a piece of fruit everyday. They are full of vitamins, minerals, fibre and more! Try cutting fruit into bite size pieces or making fruit salad.

## Snack

Healthy snacks help kids refuel between meals. The healthiest snacks are based on fruits, vegetables, dairy and wholegrains.

Wholegrain wrap

Lean chicken breast

Lettuce

Grapes

Carrot sticks

Wholegrain bread

Low-fat cheese

Potato

Cut orange wedges

Cherry tomatoes

Wholegrain crackers

Hummus dip

Celery sticks

Strawberries

Low-fat milk

Brown rice

Tuna

Leftover cooked peas and carrot

Banana

Low-fat yoghurt

Wholegrain pasta

Boiled egg

Salad

Apple

Unsalted popcorn

## Make the change ↻

It's easy to pack a nutritious lunch with no throw-away packaging

Reusable containers

Beeswax wrap

Fabric wrap

Drink bottle

Reusable cutlery

Reusable lunchbox

Natural skin

**P&C**

RED HILL PRIMARY

Dear Red Hill community,

Did you know there is a Red Hill School private Facebook group? If you aren't already following, please follow us. We would love to build it to 500+ members.

Join to connect and keep up to date with P&C and school activities, including;

- Reminders about school activities, canteen, uniform and Flexischools orders
- Find out about activities and get involved in P&C support for the school
- Meet and connect with other parents and the whole school community.

**PLEASE SEARCH FOR US. WE ARE CALLED:  
"RED HILL SCHOOL COMMUNITY"**

Your friendly P&C Committee

Dear families,

Thank you to all students who entered the art competition for Red Hill's 60th Birthday magazine. We were very impressed by the quality of the work — it was clear that students put a lot of thought into what they love most about their school.

While it was very difficult to choose two winners, it has been decided that the standout entries that will grace the inside front cover and back cover of the magazine are by:

Alexis Graham and Antara Dissanayake

Congratulations! Your art vouchers are available to pick up at the front office.

We hope to include all of the student artwork in the magazine — stay tuned to learn more about when it will be available to order.

Warm regards,

P&C committee

### Canteen Corner

Once again, a big thank you to everyone who participated in our canteen survey at the end of last term. Your comments were all noted and fed back to Healthy Kids Association. The canteen always aims to provide a variety of healthy and delicious foods and welcomes any feedback to help provide our children with a high quality enjoyable service.

- Don't forget to keep an eye on our Red Hill School Community Facebook page, where our great canteen manager Will provides regular updates with reminders of daily specials and any menu changes. Keep a look out for some exciting additions coming soon.

- Don't forget to order lunch, recess and Sushi via the separate icons on Flexischools. To assist with dietary requirements, the ingredients or reference to the food product's website are listed on Flexischools.

### Ordering in person

**UNIFORM SHOP IS CURRENTLY CLOSED FOR FACE TO FACE SHOPPING. PLEASE ORDER ONLINE.**

### Ordering Online

The Red Hill School P&C Association uses Flexischools for uniform shop sales. It is a cashless online ordering system which streamlines payment, ordering and processing of purchases and events.

Quick and easy it can be accessed 24/7 on PC, Mac or mobile app. Some fees may apply.

School Uniform orders will be delivered to your child's classroom via their teacher or Uniform Shop Staff.

### Please note the following:

- Payment is by credit card or bank transfer
- Some fees may apply
- Online orders are delivered on a Wednesday or Friday afternoon of the same week, some deliveries may carry over to the following Monday
- Details on sizing, including height, chest and waist are noted with each garment listing
- You will need to include your child's name and class i.e. 3E, (for families new to the school and not yet been allocated a class) please enter "New Student" and orders will be held at the front office for collection
- For further information and to register please visit: [www.flexischools.com.au](http://www.flexischools.com.au)

Dear Community,

The Uniform Shop will be operating under the same conditions as term 2.

Please order via Flexischools @[www.flexischools.com.au](http://www.flexischools.com.au).

Orders will be packed and delivered to your child's classroom at least once a week depending on order volume.

Lost Property will be sorted at least once a week with any named clothing going to the front office for return to the owner.

If you have any questions, please don't hesitate to contact the uniform shop directly @ [rhps.uniformshop@gmail.com](mailto:rhps.uniformshop@gmail.com)

# School Banking

## School Banking day – Friday

Leave banking at Front Office by 9.00am on Friday Morning   
Collect after 3.15pm on Friday Afternoon

Open a Dollarmite account at any Commonwealth Bank branch and start banking today  
every \$ you bank raises money for the school

### Completing your deposit slip for School Banking day.

Please ensure your child's deposit slip is filled out before banking with School Banking. All 7 fields below need to be completed:

1. Child's name
2. Child's School Banking student number
3. Child's Youthsaver account number
4. Date
5. Amount in coins, notes and/or cheques
6. Total amount of deposit
7. Total amount of deposit (input into the "Add this deposit" field)

The image shows a Commonwealth Bank 'Deposit' slip form. It includes fields for Name, Student number, Branch, Account number, Date, Number of cheques, Notes, Coin, Cheques, and Total. On the left side, there are balance fields: Previous balance, Add this deposit, Subtract withdrawal, and Current balance. A Teller field is also present. The Commonwealth Bank logo and slogan 'Save regularly and reach your goals' are at the top. The form is annotated with seven yellow starburst callouts: 1 points to the Name field, 2 to the Student number field, 3 to the Account number field, 4 to the Date field, 5 to the Notes/Coin/Cheques section, 6 to the Total field, and 7 to the Add this deposit field.

# RED HILL SCHOOL BIKE TRACK

The new 1km school bike track has been built for the students as well as a place for the community to enjoy outside school hours. To keep the school's latest asset a safe and enjoyable place to ride for many years to come, we all need to play a part in this.

## Do's

- Be friendly & supportive of other riders using the trail
- Always wear a helmet
- Make yourself known before overtaking another rider
- Ride the track in an anticlockwise direction
- Ride within your skill limit
- Move off the track if stopping
- Notify the school if the track has been damaged or vandalized

## Don'ts

- Ride the track during or after heavy rainfall (give it some time to dry out)
- Ride in the wrong direction
- Modify the track in anyway
- Use motorized bikes on the track

**Please read the signage that has been put alongside the track. This signage has some great information and tips on body position when riding the technical features found on the 1km bike track.**

We highly recommend that all the student's bikes are checked over for safety issues before riding on the track.

- Brakes are working correctly front and rear
- Tyre pressure is within the recommendation's indicated on the side wall of tyre
- Chain is lubricated with specific bike chain oil
- Gears are shifting smoothly (if bike has gears)
- Seat is at the correct height
- Bike is checked over for any loose components

**Most importantly, HAVE FUN!**
