Dear Parents/Carers,

YEARS 2 ICAS ONLINE ENGLISH and MATHEMATICS Assessment Tasks 2022

Red Hill students in year 2 may choose to participate in the Online English (Year 2 only) and Mathematics (Year 2 only) International Competitions and Assessments tasks (ICAS) run by the University of NSW. ICAS is designed to target students' higher-order thinking and problem-solving skills in different learning areas. Red Hill School will be offering assessments to year 2 students in English and Mathematics in 2022.

Each assessment celebrates students' accomplishments by providing opportunities for recognition. The school will have access to an online result report for every student and each participant will receive a printed certificate of achievement. Top performers will be eligible for medals.

I encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to computer-based assessment.

The cost for the YEARS 2 ONLINE ENGLISH Assessment Task 2022 is \$19.25 per student and the cost for the YEARS 2 MATHEMATICS ICAS Assessment Task 2022 is \$19.25 per student
